

Fundraising Procedures

Background: The Ashland School District is committed to funding the athletic program's needs. We understand there are extra wants that teams wish to have to provide the best possible experience for our student-athletes. The **Clocker Club** All-Sports Booster Club is there to help you promote, raise, and collect funds for those needs. Each sport has their own sub-account within the Clocker Club that acts as a "checking account," for Varsity Head Coaches to use on the aforementioned wants.

More info on the District's fundraising policies and procedures can be found here <https://www.ashland.k12.ma.us/Page/54>
